Ohio Trucking Association Announces 12 Top Finalists

Celebrate Outstanding Drivers

Each year, the Ohio Trucking Association looks to its members to nominate amazing drivers to be in the running for Driver of the Year. These drivers possess an excellent driving record, dedication to the profession and a passion to improve the roads through a safety first mentality. Out of all the nominations received, 12 were chosen as finalists. Each finalist and their company will receive a plaque in recognition of their outstanding driving career. After careful deliberation by our judging panel, the winning driver will be announced during our awards banquet at the Marriott Columbus University Hotel.

Congratulations to Dave Wolford for being one of the twelve 2019 OTA Driver of the Year Finalists!
